<i>Acanthopanax sieboldianus</i>	5-leaf aralia	7	green	May-Jun	-	•
<i>Aesculus parviflora</i>	bottlebrush buckeye	8-12	white	Jul	capsule	•
<i>A. pavia</i>	red buckeye	15-20	red	Apr/May	capsule	•#
<i>Amelanchier arborea</i>	Shadbush, downy serviceberry	15-25	white	Apr	green to red to purple	•#
<i>Amelanchier canadensis</i>	shadblow serviceberry	6-20	white	Apr	green to red to purple	•#
<i>Aronia arbutifolia</i>	red chokeberry	5	white	Apr-May	red	•
<i>Berberis julianae</i>	wintergreen barberry	5	yellow	May	blue	•
<i>B. x mentorensis</i>	Mentor barberry	5-7	yellow	May	red	
<i>B. triacanthophora</i>	three-spine barberry	4	yellow	May	blue	•
<i>B. thunbergii</i>	Japanese barberry	5	yellow	May	red	•
<i>B. t. atropurpureum</i> <i>Crimson Pygmy</i> barberry	crimson pygmy barberry	3	yellow	May	red	
<i>Buddleia davidii</i>	butterfly bush	8	purple, red white, pink, lavender	Jun/Jul to frost	-	•
<i>Callicarpa americana</i>	beautyberry, French mulberry	6	white to pink	May	purple	•
<i>C. dichotoma</i>	Purple beautyberry	3-4	lavender-pink	Jun-Aug	lilac- violet	
<i>Calycanthus floridus</i>	sweetshrub, Carolina allspice	6-10	reddish brown	May/Jun	-	•
<i>Caryopteris x clandonensis</i>	Bluebeard, blue mist, blue spirea	2-3	blue	Aug/Sep		
<i>Ceanothus americanus</i>	New Jersey tea	3	white	Jun	-	
<i>Cephalanthus occidentalis</i>	Buttonbush	3-6	white	Aug		#
<i>Chaenomeles japonica</i>	Japanese flowering quince	2-3	red orange	Apr	greenish yellow	•
<i>C. speciosa</i>	common flowering quince	6-8	white, pink, scarlet	Apr	yellow to rose blush	•
<i>Clethra alnifolia</i>	summersweet	4	white	Jul-Sep	-	•#
<i>C. a. rosea</i>	pink summersweet	4	pink	Jul-Sep	-	•#
<i>Cornus alba</i>	Tatarian dogwood	8	yellowish white	May-Jun	whitish	•
<i>C. amomum</i>	silky dogwood	9	white	May	blue	•#
<i>C. sericea (C. stolonifera)</i>	redtwig Siberian dogwood, red osier	7-9	white	May	bluish white	#
<i>C. stolonifera lutea</i>	yellowtwig dogwood	6	white	May	white	•
<i>Corylopsis glabrescens</i>	Fragrant winterhazel	8-15	yellow	April		
<i>Corylus avellana contorta</i>	Harry Lauder walkingstick	8	(catkins)		none	•
<i>Cotinus coggygria</i>	smoke tree	12	yellowish (bronze or purple hairs are "smoke")	summer		
<i>Cotoneaster adpressa</i>	creeping cotoneaster	1-2	pinkish	May	scarlet	•
<i>C. apiculatus</i>	cranberry cotoneaster	2	white	Jun	red	
<i>C. divaricatus</i>	spreading cotoneaster	5	pink	Jun	red	•
<i>C. horizontalis</i>	rockspray cotoneaster	3	white	Jun	red	
<i>C. salicifolius floccosus</i>	willowleaf cotoneaster	12	white	Jun	red	

• tolerates some shade ••tolerates denser shade #tolerates/requires wet site dioec.= dioecious

<i>Cydonia japonica</i>	flowering quince	5	white to scarlet	Apr	yellow-green	
<i>Cytisus scoparius</i>	Scotch broom	5-6	yellow, white, pink, red	May/June	-	
<i>Daphne x burkwoodii</i>	Burkwood daphne	4	white	May		
<i>Deutzia gracilis</i>	slender deutzia	2-3	white	May	-	•
<i>Deutzia x lemoinei</i>	Lemoine deutzia	5-7	white	May		
<i>Diervilla sessilifolia</i>	Southern bush honeysuckle	3-5	sulfur yellow	Jun/Aug		•
<i>Dirca palustris</i>	leatherwood	3-6	pale yellow	Mar/Apr	reddish green	••
<i>Eleagnus angustifolia</i>	Russian olive	12	yellow	Jun	silvery	
<i>E. multiflora</i>	cherry eleagnus	6-10	yellow	May	red	
<i>Enkianthus campanulatus</i>	redvein enkianthus	5-15	creamy yellow veined red	May	capsule	#
<i>Euonymus alatus</i>	burning bush, winged euonymus	8	-	May	pink/orange	•
<i>Exochorda racemosa</i>	common pearlshrub	8	white	Apr/May	capsule	
<i>Forsythia Arnold dwarf</i>	Arnold's forsythia	3	yellow	Apr		
<i>Forsythia x intermedia</i>	showy border forsythia	8-10	yellow	Apr	-	
<i>F. suspensa var Sieboldii</i>	weeping forsythia	5-8	yellow	Apr	-	
<i>Fothergilla gardenii</i>	dwarf fothergilla	2-3	white	May	capsule	•
<i>F. major</i>	large fothergilla	6-9	white	May	capsule	•
<i>Franklinia alatamaha</i>	franklinia	10-20	white	Jul/Sep	capsule	
<i>Hamamelis x intermedia</i>	spring witchhazel	10-20	yellow	Jan/Mar		
<i>Hamamelis vernalis</i>	vernal witchhazel	6-10	yellow	Feb	capsule	#
<i>H. virginiana</i>	common witchhazel	15-20	yellow	Oct.	capsule	#
