Robbinsville Twp No community gardens offered						
Trenton Isles Urban Agriculture Program, 609-341-4741; urbanag@isles.org; https://isles.org/our-approach/live-green-and-healthy/urban-agriculture/	About 60 community garden sites throughout Trenton including at Trenton's schools, churches, non-profits, shared community plots and individuals who garden in backyards as part of the Urban Ag network	Ranges from \$15 to \$50**	Approx. 60	Persons who register with Isles	March	**Fees vary related to the size of plot and number of gardeners and if plot is for individuals or an organization. Fees help cover Isles' facilitation to establish gardens: doing site assessments; tests soil; obtains leases from City of Trenton; educates gardeners; provides seeds and seedlings, compost for raised beds. Roughly 4 large and 6-8 smaller community gardens are managed by the gardeners; individuals manage their own gardens; organizations oversee their gardens.
West Windsor Twp Dan Dobromilsky, Twp Architect, 609-799-2400, ext 227; Ddobro@westwindsortwp.com	Clarksville Rd and Everett Dr near the West Windsor Municipal Complex	\$50 for 20'x20' plot; \$35 for 10'x20'; plus \$25*	Unknown	West Windsor residents	Fall	Twp provides running water, fence, compost, wood chips and makes repairs; gardeners added a shed for storage and fees help maintain shed and purchase tools for shared use and other shared expenses; extra produce is donated with 1 plot dedicated as "Giving Garden." *\$25 fee refunded if gardener clears plot at end of season.
